

CITY OF VACAVILLE

SERVICE AND FACILITY RENTAL FEES

Fiscal Year 2017/18 Fees

Introduction

The City of Vacaville provides a wide range of services and rental facilities to the Vacaville community. These services include maintenance and duplication of public records, development-related services such as building permits and planning applications, and many other special services provided through the various City departments. The City also offers many of its facilities for private use on a rental basis. Available facilities include a variety of venues for assembly, banquet, cultural and recreational activities.

The City of Vacaville has established Service and Facility Rental Fees to cover all or part of the cost of providing services and for maintaining the City's rental facilities. The fees were updated by the Vacaville City Council on June 23, 2015. At this meeting, a resolution was approved that provides for an annual adjustment, to be implemented for a total of four years beginning in 2015, based upon the Bureau of Labor Statistic's Consumer Price Index for all Urban Wage Earners and Clerical Workers (CPI) for the San Francisco-Oakland-San Jose area. The annual adjustment will reflect the period between May 1 of the preceding year and April 30 of the subject year. Fees may be increased at any time by an amount larger than the CPI adjustment if approved by the City Council.

Questions regarding these services and rental facilities, and the fees that are established to support them, should be addressed to the respective City department that provides the subject service or administers the rental facility. The appropriate department and the related telephone number for each grouping of services and each rental facility are listed for your use. Comments and ideas regarding these services and facilities are always welcome.
