FOR IMMEDIATE RELEASE

Bridge Repairs on Interstate 80 in Vacaville Continues

Solano County – The California Department of Transportation (Caltrans) has extended the scheduled lane closures on Interstate 80 in Vacaville at the Mason Street Undercrossing (bridge) due to weather. The lane closures will allow crews to perform repair work to the Mason Street Undercrossing. There will also be lane and sidewalk closures on northbound Mason Street (local city street). Flagging personnel will be available at the closed sidewalk to assist pedestrians with access. Changeable message signs will be in place to alert drivers of lane closures. See updated closure information below:

Date	Location	Work Window	Lane Closures
Tuesday, December 29, 2009	Eastbound I-80	9:00 pm to 6:00 am	#1, #2, #3 lanes and the eastbound Cliffside on ramp will be subject to closure
Wednesday, December 30, 2009	Eastbound I-80	9:00 pm to 6:00 am	#1, #2, #3 lanes and the eastbound Cliffside on ramp will be subject to closure
Monday, January 4, 2010	NB Mason Street	7:30 am to 6:00 pm	Far right lane and sidewalk will be subject to closure
Tuesday, January 5, 2010	NB Mason Street	7:30 am to 6:00 pm	Far right lane and sidewalk will be subject to closure
Wednesday, January 6, 2010	NB Mason Street	7:30 am to 6:00 pm	Far right lane and sidewalk will be subject to closure

All construction schedules are subject to change due to unforeseen circumstances such as inclement weather.

Please plan ahead and allow extra time for your commute. Caltrans urges motorists to use caution and slow for the cone zone. Thank you for your cooperation.
