

Bay Area Dischargers Combined Monthly Rate Comparisons

2014 Local Average - \$103.60

Note 1: All agencies reflect assumed water use of 17 units per month for comparison purposes

Note 2: Rates reflect actual data including approved increases where available, otherwise Consumer Price Index (CPI) increases assumed through 12/31/13

Note 3: American Canyon and Napa each reflect a weighted average of two different residential water rates

Note 4: Vacaville shows actual rates for 2010, proposed rates for 2014

Note 5: Data is effective as of **March 1, 2010**
