### **CSO HELPS VACAVILLE, FAIRFIELD PD APPREHEND BURGLARY SUSPECTS**

A Community Services Officer who observed suspicious activity helped police arrest three auto burglary suspects on Thursday morning.

At approximately 9:43 a.m. Thursday, Vacaville Police Department Community Service Officer Sherry Brooks was parked in the area of Butcher Road conducting surveillance in response to multiple auto burglaries in that area over the past month.

Brooks observed a gray 1999 Lincoln Navigator park in the area and saw three occupants got out of the vehicle and begin looking through the windows of several parked vehicles. Brooks then saw one of the suspects attempt to gain entry to one of the parked vehicles, at which time she notified other officers of her observations. The suspects then drove away from the area with Brooks following, continually updating the suspects' location until other officers arrived. The vehicle was eventually stopped by Vacaville and Fairfield police officers on Peabody Road near Joseph Gerevas Drive in Fairfield.

Criminal activity can be reported at [www.cityofvacaville.com/departments/police](http://www.cityofvacaville.com/departments/police), or you can call "Crime Stoppers" and leave an anonymous tip at 707-644-STOP (7867). Crime Stoppers may pay up to \$1,000 for information that leads to an arrest.

Police found property inside the suspects' vehicle taken from at least two auto burglaries that had been committed in the area of Lagoon Valley Park earlier in the morning. Officers were also able to confirm one of the suspects, Carlos Cordova, had used a credit card stolen in one of the burglaries at a local business prior to being apprehended. All three suspects were arrested and booked into Solano County Jail on various charges related to the auto burglaries.

Anyone with further information related to this investigation is encouraged to contact the police department at (707) 449-5200.
