Narrative:

On May 25, 2013 at approximately 9:55 p.m., citizens reported a stabbing that had just occurred near the Georgie Duke Center. Police Officers working the Fiesta Days Carnival responded to the parking lot between Country High School and the Georgie Duke Center and found two males suffering from multiple stab wounds.

Police Officers, along with Vacaville Fire Department Paramedics, began assisting the victims and securing the crime scene. The victims were transported to a local hospital for treatment of their wounds. Both victims were stabbed multiple times and their status is considered serious but not life threatening.

The names of the victims are not being released at this time, but they are described as a 41 year-old male and his 16 year-old nephew.

Investigative Services Section (ISS) detectives responded and began working the case. Investigators believe the crime is gang motivated. It appears that the victims were confronted on the midway of the carnival in Andrew's Park and challenged to fight. The 16 year-old victim accepted the challenge and the group of young men moved to a darkened area of Country High for a physical fight. When they arrived, the victims were attacked and stabbed. Anyone with information about this case is urged to contact the Vacaville Police Department at (707)449-5200 or Detective Adam Senf at (707) 449-5245.
