Type of Crime/Incident: 245(a)(2) PC – Assault with a Deadly Weapon
Location: Footbridge from Meadowlands Park toward Woodridge Drive
Suspects: Hispanic male in his early twenties; slight build

Narrative:

On August 16, 2013, at about 1:22 a.m., the Vacaville Police Department Communication's Center received an emergency call from a male who advised he had been shot by a friend. As officers were responding to the victim's residence, he changed the narrative of his story by indicating he was shot during a drug deal.

Officers arrived at the victim's residence and began trying to illicit additional information while paramedics from the Vacaville Fire Department began treating the victim. The victim was suffering from one through and through gunshot wound to his upper torso.

The victim initially said the incident occurred near his home, but later changed the location to near Callison Elementary School.

The victim was transported to an area hospital for emergency medical treatment. Medical personnel described the gunshot wound as non-life threatening.

Shortly after his arrival, officers were able to obtain additional information from the victim, who advised the shooting had occurred on the footbridge connecting Meadowlands Park to Fairview/Scottsdale Drive.

The victim said he had arranged to meet a subject, whom he had never met before, for a drug deal on the footbridge. The victim took the illicit drugs and ran away without paying for the contraband. The victim heard 2-3 shots ring out and knew he had been hit by at least one round. He ran through Meadowlands Park to his residence.

Officers searched the bridge and found evidence of one round striking a metal piece of the bridge with an expended bullet nearby.

Officers conducted a neighborhood canvas which did not result in any additional information or evidence.

Anyone with additional information regarding this incident is asked to contact Detective Mark Ferreira at (707) 449-5200.
