### **Narrative:**

On Tuesday, March 25, 2014 at approximately 7:42 p.m., Vacaville Police Communications received a report of a male subject who approached two juvenile females aged 9 and 11 years of age as they were walking home from a nearby supermarket. The juveniles were walking in a laneway situated behind the business. The male subject grabbed the nine year old victim from behind, lifting her up. The 11 year old intervened grabbing the 9 year olds legs and both girls began to scream. The male then released the 9 year old and fled on foot and was last seen heading southwest behind the shopping complex. The girls ran home to report this incident and there was approximately a 10 to 20 minute delay from the time of this occurrence and the time that police were notified. The area was checked with negative results.

The male subject was described as a white male adult; between 30 and 60 years of age; thinning short white hair/balding; thin to medium build – possibly with a belly; possible white mustache; wearing dark colored shorts – possibly brown and a dark colored t-shirt.

Anyone with any additional information regarding this subject or this incident is encouraged to contact Officer Shawn Windham of the Vacaville Police Department at (707) 449-5200.
