Suspects:	17 year old male juvenile – Fairfield Resident

17-YEAR-OLD FAIRFIELD MAN KILLED IN MOTORCYCLE ACCIDENT

A 17-year-old man from Fairfield was killed when the motorcycle he was riding crashed on Ulatis Drive Wednesday night.

Police were called at approximately 10:38 p.m. Wednesday for a traffic collision with injuries in the area of Ulatis Drive and Arcadia Drive. Initial reports indicated that this was a solo motorcycle collision. Officers responded to the scene and located the victim, a 17-year-old male Fairfield resident suffering from what appeared to be significant internal injuries.

The victim had been traveling eastbound on Ulatis Drive and, for unknown reasons, veered across the westbound lanes of Ulatis Drive striking the curb on the north side of Ulatis Drive resulting in the victim being ejected from his motorcycle. The victim was transported by ambulance to Kaiser Permanente Trauma Center in Vacaville where he succumbed to his injuries.

Anyone who may have witnessed or has information regarding this incident is asked to contact Officer Chuck Bailey at (707) 449-5200.
