POLICE ARREST DUI SUSPECT AFTER HIGH-SPEED CHASE

Vacaville police arrested a suspected DUI driver after he led them on a high-speed chase and then tried to escape by using a taxi.

Right around midnight Tuesday morning, a police officer observed a vehicle traveling at a high rate of speed on Vanden Road and then run through a stop sign.

The officer attempted to initiate a traffic enforcement stop on the vehicle, which fled from the officer at a high rate of speed. The driver of the vehicle, later identified as S-Samuel Brock, stopped his vehicle near the intersection of Vanden Road and Newcastle Drive, driving onto the sidewalk. S-Brock exited the vehicle and jumped a cement fence to residential houses on Landcaster Court to evade capture.

A perimeter was set-up in the area by officers from the Vacaville Police Department. While searching for S-Brock, officers contacted a taxi cab leaving the area and found S-Brock in the back seat of the cab. S-Brock was arrested for evading a police officer and driving under the influence of alcohol. S-Brock was booked into the Solano County Jail.

The Vacaville Police Department would like to remind residents that drinking and driving is a serious offense that can lead to serious injuries. We encourage citizens to designate a sober driver and to not drink and drive.
