### **POLICE ARREST S.F. MAN WITH MARIJUANA FOLLOWING TRAFFIC STOP**

A stop of a car speeding on Highway 80 late Wednesday night turned up numerous forms of marijuana and an unlicensed driver.

At around 10:45 p.m. a Vacaville police officer spotted a vehicle traveling at approximately 90 miles per hour on eastbound I-80 and conducted a traffic enforcement stop. When the officer approached the vehicle, he could smell the strong odor of marijuana emanating from the interior.

While speaking to the driver the officer saw marijuana plants in plastic containers on the floorboard of the vehicle. A subsequent search of the vehicle yielded several more marijuana plants in pots and marijuana packaged in various forms.

A check of the driver's license status revealed he did not have a valid California driver's license. The driver, S-Calvin Tsui, 30, of San Francisco was arrested for transportation of marijuana and operating a motor vehicle without a valid driver's license. S-Tsui was transported to Solano County Jail and booked.

The Vacaville Police Department would like to remind citizens they can report drug activity to the Drug Tip Line at (707) 449-5243.
