FOUR TENNESSEANS ARRESTED ON POSSESSION OF MARIJUANA FOR SALE

Vacaville police arrested four individuals Monday after an investigation led to the discovery of over 20 pounds of marijuana in their motel room.

Early Monday morning, shortly after midnight, a Vacaville police officer contacted two subjects in the 100 block of Lawrence Drive following the report of a suspicious vehicle. Officers also detected a strong odor of marijuana inside the vehicle. During the investigation, officers learned the two subjects were staying at a local motel in the area.

At that point, police went to the motel room associated with the subjects and made contact with two more people who were staying in the room. During the contact, officers observed items that led them to believe the subjects were involved in the distribution and sale of marijuana. As a result, the subjects in the room were detained until a search warrant could be obtained from a Solano County Judge.

Once the warrant was obtained, officers searched the motel room and found over 20 pounds of marijuana processed and packaged for distribution through mail services. As a result, officers arrested S-Austin White, S-Austin Robinson, S-Austin Savage and S-Daniel Perez, all 21 and all from Tennessee, for possession of marijuana for sale. All four were booked into Solano County Jail. Pictures of the suspects are included in this release.

Anyone with information on this case is asked to contact the Vacaville Police Department at (707) 449-5200.
