ALERT RESIDENT HELPS POLICE STOP BURGLARY IN PROGRESS

An alert citizen led the arrest of a suspect in the process of burglarizing a vehicle at a local shopping center parking lot.

Vacaville police received a call from a resident that S-Louis Gray, 22, of Vacaville was observed walking up and down the aisles of the parking lot at the Regency Park Plaza on Elmira Road, all the while looking into parked vehicles. Police personnel are well aware of recent auto burglaries that have occurred in the area and arrived on the scene within one minute of receiving the call.

Officers located S-Gray attempting to force his way into a parked vehicle when he was taken into custody without incident. S-Gray was found to be in possession of burglary tools. Had it not been for the citizen being alert to his surroundings and his willingness to report criminal activity, this arrest would not have been possible. Fortunately, swift action prevented any loss of property or damage.

The Vacaville Police Department would like to remind residents not to leave valuables in their vehicles, lock their doors, be aware their surroundings, and report suspicious activity. Anyone with information about this incident is encouraged to contact Officer B. Boehm at (707) 449-5200.
