VOLUNTEERS SOUGHT FOR UPCOMING VCERT SPRING TRAINING CLASSES

The City of Vacaville's Community Emergency Response Team (VCERT) program will be holding its spring 2015 class beginning April 16, 2015.

The VCERT program is looking for more volunteers to join and create teams throughout the community that can be called into action the next time disaster strikes.

VCERT educates residents about disaster preparedness. Participants are trained in basic disaster response skills such as fire safety, flood safety, light search and rescue, team organization and disaster medical operations. This will be the 19th VCERT class since the initial sessions held in early spring, 2006, and the training is free to all Vacaville residents 18 years or older.

Classes will be held on five consecutive Thursdays from April 16 through May 14, 2015 from 6-9 p.m. The fifth week will conclude with a Saturday half-day drill and practical skills exercise from 8 a.m. to noon May 16, 2015. Classes are held in the Training Room of the Vacaville Fire Department, 650 Merchant Street.

If you are interested in attending this or any future class, call (707) 449-5471 or email vcert@cityofvacaville.com. Be sure to include your name, postal address and phone number in your email.
