Dear Apartment Resident:

The voters of the City of Vacaville passed Measure I, which meant the approval of Ordinance #1843 adopted on July 10, 2012 by the City Council. This ordinance proposed an excise tax known as the “Community Streets and Facilities Tax”, which is paid by all persons residing in a house, apartment, condominium, or mobile home park, doing business, or staying in a motel in the City of Vacaville. Proceeds are to be used to fund municipal improvements consisting of a new library, community center, municipal parks, recreation facilities, a community theatre, as well as, traffic and street improvements.

As specified in the ordinance, the tax on an occupied residential unit is \$58.02 per unit per year for twenty-five (25) years. Therefore, we will bill you bimonthly for \$9.67. As with any other tax, this \$9.67 charge is not optional. If an extension is needed, due to having just been notified as owing this tax, we will be glad to make payment arrangements. It is the City’s practice to turn unpaid fees or taxes over to a collection agency.

If you have any questions, please call 707-449-5128 for assistance.

Sincerely,
Finance Department, City of Vacaville
